

等比数列

$$3, 6, 12, 24, \dots$$

The diagram illustrates the progression of the sequence 3, 6, 12, 24, ... by showing the relationship between consecutive terms. Three blue curved arrows point from left to right, connecting 3 to 6, 6 to 12, and 12 to 24. Below each arrow is the text "x2", indicating that each term is multiplied by 2 to get the next term.
